The Community of Hope Health Clinic has once again partnered with America's First Federal Credit Union to present the 2nd Annual Fundraising Dinner at the Pelham Civic Center.

From the Executive Director

Justin Johnston, Executive Director

There are some great things happening with the Community of Hope Health Clinic and there will be even better things to come in the upcoming months.

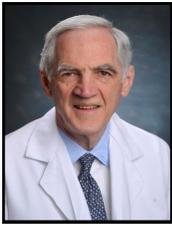

In May, CHHC will have its 2nd Annual Fundraising Dinner and will feature guest speaker

Norton Dill. Mr. Dill is a documentarian for Alabama Public Television and also has fronted his bluegrass band, the Dill Pickers for many years now. If you want to hear a great story and learn more about CHHC, please let me know. We'd love to

have you! I will also be celebrating my 3rd Anniversary with the clinic in May.

Financially, CHHC is in about as good a shape as it has ever been. There is room for improvement. But we need volunteers! Please help me do this!

Volunteer Spotlight

John Carpenter, MD sees patients during the Tuesday Morning Clinic

In Late 2016, Dr. John Carpenter began seeing patients at the Community of Hope Health Clinic on Tuesday mornings.

Dr. Carpenter brings a wealth of knowledge to the clinic and is

well known not only in the Birmingham community, but also nation wide.

Previously, Dr. Clark worked at the University of Alabama at Birmingham practicing women's health and was instrumental in starting up Forge, an organization that helps women diagnosed and recovering from breast cancer.

CHHC is lucky to have Dr. Carpenter as a volunteer.

Lanette Sherrill, CRNP sees patients during the Tuesday Morning Clinic

In 2015, Lanette Sherrill, a retired Nurse Practitioner, began seeing patients at the Community of Hope Health Clinic on Tuesday mornings.

With years of experience and a wealth of knowledge,

Ms. Sherrill has brought a can-do attitude to the clinic and helps out in many different ways other than just seeing patients.

Because of her willingness to serve, Ms. Sherrill was awarded the 2016 Medical Volunteer of the Year Award by the Clinic staff and we are so blessed to be able to call her one of our own.
