CHHC HITS SILVER STATUS

CHHC earned a 2023 Silver Rating from the National Association of Free and Charitable Clinics (NAFC) Quality Standards Program.

NAFC's mission is building healthy communities for all through quality, equitable, accessible healthcare. The NAFC and its members are dedicated to ensuring that patients receive access to quality healthcare. To quantify and qualify the care provided at the Free and Charitable Network, the NAFC formalized a set of Quality Standards for member organizations.

NAFC Members voluntarily submit information to the NAFC on the various policies and procedures in place to attain their standards rating and attest/pledge that they successfully incorporate these standards within their organization.

NAFC Quality Standards elements include policies and procedures related to the following

LAUREN SISLER IS THE
2023 GUEST SPEAKER

CHHC Fundraiser is NOT Just About Money

CHHC Executive Director, Justin Johnston, is excited about having an in-person fundraising experience for the first time since 2019. To date, more than 130 people are scheduled to attend the event presented by America's First Federal Credit Union on May 9 at the Pelham Civic Center. The event is from 6-8 p.m.

"Yes, we would like to raise my goal of \$50,000 at this event," Johnston said, "but this free event has a great guest speaker with a great message. Even if someone comes to the dinner and doesn't donate, they've learned more about what we do; it's a win-win for us."

To RSVP, contact Justin at justin@communityofhopeclinic.com.
