

COMMUNITY OF HOPE HEALTH CLINIC

NAFC SILVER

CHHC achieved Silver Standard recognition from the National Association of Free and Charitable Clinics.

MMU Utilization

CHHC went to the people of Shelby County more than 40 times in 2023 providing vaccines, health screens, and health information.

PARTNERSHIPS

CHHC started new partnerships with many organizations in 2023 including churches and other nonprofits.

CHHC

2023 REPORT

Currently CHHC has approximately 700 patients and more than 2200 patient encounters occur each year.

Services Provided at CHHC include: Primary Care, Physical Therapy, Mental Health/Counseling, Dermatology, and prenatal.

CHHC established an on-site medication dispensary in 2023 and during the first five months provided \$35,000 worth of medication for free to patients.

CHHC plans to expand to more services in 2024 including optometry and an on-site laboratory!

The Community of Hope Health Clinic is a Volunteers in Medicine Clinic which provides medical services to Shelby County adults who live at or below 200% of the Federal Poverty Guidelines.

There are many ways to give to CHHC in order to help the patients and residents who do not have access to the basic health care that many of us do:

Volunteer: Experience is a plus but not necessary! If you would like to help in any form, contact Alma at volunteer@communityofhopeclinic.com!

Supplies/Capital: Perhaps your business or church group would like to find a way to give by purchasing office supplies, medical supplies, or medical equipment. CHHC has a public Amazon Wish List of both recurring items and one-time purchases. Contact Justin for more info!

Volunteer a Meal: If your group would like to help offset the costs of feeding our volunteers and staff during evening clinics, your group can sign up at: <https://takethemameal.com/KYZE3350>
